TRUSTEES READY TO EXTEND SOCIAL PRIVILEGES OF CAMP FREMONT MEN

Although evidently determined to strictly enforce every possible restriction to protect the moral welfare of the soldiers stationed at Camp Fremont, the city authorities are evincing a readiness to afford them all possible opportunities for reasonable enjoyment and diversion. A strong evidence of the latter desire was made evident at the meeting of the city council last Monday evening, when it was practically decided to permit the jitney dances to continue until 3 o'clock on Sunday mornings, an extension of two hours. This action was taken following the presentation of a request by a committee of soldiers represeting the enlisted men of the camp. In making the request, the committee stated that the reason for the desire for extension of dancing priveleges on Saturday nights was the fact that the men could remain out late without injury as on Sunday they were relived from all drills and extra duties. In favoring the granting of the request, the trustees unanimously agreed that these dances had been conducted in a quiet and orderly manner and complimented the soldiers in their determination to assist in maintaining order. While no direct action was taken, the request was referred to the police committee with the understanding that temporary permits would be granted upon applications by the managers of the dances.

Beyond this action, but little except routine business was transacted at the meeting, which was attended by all the trustees.

A claim of E. T. McGettigan for $104.50 for damages to household goods in his residence by the backing up of the contents of an obstructed sewer during flushing, was allowed. While the work causing the damage had been done by employees of the street repartment, it was shown that the accident was unavoidable.

Dr. J. L. Ross, city health officer, made an interesting verbal report of his attendance at the recent meeting of the League of California Municipalities, outlining many useful sanitary suggestions.

The application of W. T. Chubbuck for an increase of $25 per month in his compensation for the care of the auto-chemical fire truck was again laid over without action, the trustees seeming to consider that he had failed to show sufficient reason for an increase in the contracted price for the work.

An ordinance was introduced and given its first reading increasing the license fee of junk dealers from $8 to $50 per year. This action is in accordance with the suggestion of City Marshal Coleman made at the last meeting.

The ordinance requiring keepers of lodging houses to keep a register of transient guests open to police inspection was given its final reading and adopted.

J. D. Smith notified the council, in a communication, that in the future he would demand an increase of $1 per day in the pay of men and teams furnished for street sprinkling wagons. Upon a report from Street Superintendent Dearborn that he would have no further use for street sprinkling teams during the present season, the communication was filed without action.

A number of applications for permits to operate passenger motor buses, laid over from the last meeting, were granted.

City Marshal Coleman submitted a report showing that the collections of his office for the past month amounted to a total of $15,440.11. Of this su m$11,547.23 was collected for city taxes.

NOTED WAR WORKER SPEAKS NEXT FRIDAY

Another big patriotic war meeting will be held under the auspices of the Liberty League of Redwood City at the Sequoia theatre next Friday evening. Madame Luigi Angelini, noted Italian war worker, has been secured to make an address. She will speak on Italy's part in the great war. Mrs. Vernon Kellogg, who was scheduled to address the people of this city on the above date, has just been called east with her husband, Dr. Kellogg, of Stanford University, on an important mission with Food Administrator Herbert Hoover. She will appear here at a later date. Madame Angelini was scheduled to speak at the next meeting of the Liberty League, but the committee was able to arrange for her advancing her date to take Mrs. Kellogg's place.

Madame Luigi is an American born. She went to Italy while a child and married there. She has taken a deep interest in war work and is now here in the interests of the Italian government to speak for the suffers of that country.

A big patriotic and stirring program has been arranged for the evening. There will be a two-reel film of "General Jack" Pershing's boys taken in France by the photographic division of the French army. In addition to this the young ladies of Redwood City will present a spectacular review depicting the history of the war. There will be patriotic songs and music.

The admission will be free. Children not accompanied by their parents will not be admitted to the theatre.

Mrs. Marie Peyre, through her attorney Jas. T. O'Keefe, has filed her first and final account and petition for final distribution in the matter of the estate of Paul Peyre, deceased. The amount of the estate consists of cash collected on notes and mortgages amounting to $2808.45. Besides the surviving wife the deceased left two brothers in France. The estate is community property.

Clean Record Needed to Join Army

R. E. Souls, who was charged with receiving stolen goods at Hillsborough some time ago and who was permitted by Judge Buck to enlist in the army, was not permitted to join until he received a clean bill of health from the court. He was supposed to enlist last Tuesday but the officers would not receive him on account of his being a confessed crook. Soule came to Redwood City and told the court of his predicament. Judge Buck at once dismissed his case and gave him complete credentials to the commanding officer who accepted Soule as one of Uncle Sam's soldiers yesterday. Soule was formerly chief of the fire department of Hillsborough.

STARTS $5,000 DAMAGE SUIT FOR FALSE IMPRISONMENT

George N. Wichman has brought an action in the superior court against H. R. Emerick to recover damages in the sum of $5,000 for false imprisonment. The complaint alleges that on Sept. 4, 1917, plaintiff borrowed an automobile from Sam Hastings of San Mateo and on driving near Burlingame on the highway the automobile stopped and he could not move it. He left the car intending to return but before he did defendant removed the machine to a garage at South San Francisco. In the mean time plaintiff was arrested by the owner of the car and he was placed in the San Mateo jail where he remained in durance vile for four hours. The complaint alleges that he recovered the machine a few days afterwards and returned it to the owner when the charge against him was dismissed.

Wichman claims that he would not have been arrested had not defendant removed the car and therefore asks for damages in the sum of $5,000.

Kenneth M. Green is the attorney for plaintiff.

Mrs. Henry Ward Brown Resigns Secretaryship of County Social Service Commission

The board of supervisors met in regular sesion Monday, December 3d.

The report of County Superintendent of the Farm and Hospital for the month of November showed that he had cared for 52 inmates, seven of whom had been discharged.

County Horticultural Commissioner Newton C. Peck submitted his report showing that he had examined 6226 trees, shrubs and plants during the month of November, besides 17 cases of bulbs and one car of Oregon potatoes. He reported the control of the catapillar that had been infesting the oak trees in different parts of the county and also the "Mealy bug."

Major Pope, provost marshal at Camp Fremont, Menlo Park, appeared before the board and addressed the members relative to securing their assistance and cooperation in remedying the traffic situation on Santa Cruz avenue from the State highway to the west end of the camp. He stated that the handling of the traffic was a serious problem now when there are only about 4000 soldiers at the camp, and that when the full number of men are sent to Camp Fremont the congestion on the avenue would be such that travel over it would be impossible. He suggested that the unpaved portion of the thoroughfare be improved by the placing of gravel on both sides from the State highway to the road leading to Portola, or just beyond Holy Cross Cemetery, and if possible, to also construct sidewalks on either side of the avenue.

The board on motion of Brown, seconded by MacBain, instructed County Engineer J. V. Neuman to make a survey of the above avenue and make an estimate of the cost of carrying out the improvements as asked for by Major Pope.

Major Pope addressed the board in the matter of closing the saloons within the five mile area of the camp. He said that liquor was being sold to the soldiers and he asked the board's cooperation in putting a stop to the practice by closing out the places where the liquor is sold. He stated that the Government would take care of the places now operating under a Federal license, but asked the supervisors to enforce the ordinance adopted in August prohibiting the sale or delivery of liquor within the five mile limit of the camp.

District Attorney Swart explained that this county postponed action in enforcing the ordinance upon a request to this effect coming from Colonel Liggett at that time the officer in charge at Camp Fremont, the request coming through the office of Mayor James Rolph, Jr., of San Francisco. Swart said the ordinance should be enforced, and the county officials would cooperate in every way.

At the suggestion of Supervisor MacBain, in whose district Camp Fremont is located, Major Pope said that he would have an official letter written to the supervisors, asking that the ordinance be enforced.

Major Pope also brought up the question of controlling the transportation of immoral women to the camp and suggested that an ordinance of some kind he adopted that would make it a misdemeanor on the part of the jitney drivers and the like to carry women of this sort in their machines.

The board gave Major Pope to understand that they would do everything in their power to assist the army officials in regulating the conditions at the camp and in protecting the soldiers from vice of any kind.

The following persons having complied with the county ordinance and furnished the necessary bond, were granted liquor licenses:

First township—J. May Barrow, Millbrae.

Second township—F. Vanderieth, Belmont.

Fourth township—Tom Quinlan, Halfmoon Bay; Joe Miguel, Halfmoon Bay.

The following applications were givn their first reading and will be acted upon a month hence:

BIG RED CROSS DRIVE TO START DECEMBER 17TH

The big drive for additional members of the Red Cross Society will begin on December 17th and continue to December 24th.

The quota of new members for this city has been increased from 800 to 875.

Mrs. Morris Cooper, the campaign manager, has appointed the following captains to assist her in Redwood City to secure the new membership: Mrs. J. W. Eva, C. G. Landscheitt, Mrs. Joseph McAuliffe, Mrs. Alice Mansfield, Mrs. F. George and Miss Lulu Beeger.

The quota for San Mateo county is 5317, of this number San Mateo will have to secure 1,500, Burlingame 1050, Menlo Park 375.

No doubt it will be difficult to secure this number but everyone must do his or her bit and by a strong cooperation they can be secured. It is the desire of President Wilson that 15,000,000 new members be gotten by January first. The only tax upon the new members is a membership fee of one dollar. This small amount will go to a worthy cause and no one should begrudge it.

FRANK SILVA, A PESCADERO SLACKER, IN JAIL HERE

Frank Silva, a slacker, was brought to the county jail on Thursday by Deputy Sheriff Coburn of Pescadero. Silva registered at Stockton but when he was called for examination he could not be found. He has been living at Pescadero for some time and his whereabouts became known to the secret service men and they in turn notified the sheriff. Silva will be turned over to the U. S. Marshal today and taken before the Federal Court for trial. Unless he can show some urgent cause for not answering the call of the government a long sentence awaits him in some federal prison. He may, however, be sent to the front at once and put in the trenches.

SUIT TO QUIET TITLE STUBBORNLY FOUGHT

The trial of the Raisch Improvement Company against Leo Pingel and others, residents of San Mateo, to quiet title to property in San Mateo, which the Raisch Improvement Company bought upon sale of street bonds for street improvement, was begun in the Superior Court before Judge Buck on Thursday, and was continued for further hearing until the 13th inst.

The suit is being stubbornly contested, upon the ground that the law requires the contractors doing the work, and selling the property of abutting land owners, to strictly comply with all the conditions of the Street Improvement Act, before they can obtain a good title to any property sold.

Joseph J. Bullock and Frank J. Murphy of San Francisco are the attorneys appearing on behalf of the defendants and J. E. Manning of San Francisco for the Improvement Company.

PERMISSION GRANTED TO MORTGAGE JOHNSON ESTATE

Judge Buck on Thursday granted the application of Joseph Hutchinson, attorney for the estate of Hanna S. Johnston, deceased, to mortgage the property of the estate to the California Home Building Company of San Francisco for $2000, interest at the rate of nine per cent per annum.

The estate consists of a twenty acre tract and improvements back of Wellesley Park in the foot-hills. It is an ideal resident section and some day will be sold for a big price.

The executor will eventually dispose of the land. There are many heirs to the property residing in various portions of the county and several residing in Ireland.

Trustees File Report

John Henry Meyer and John Freuler, trustees of the estate of the late Antone Borel, have filed their first annual account and report in the county clerk's office. The report is an elaborate one, showing the recepits and disburesments of funds during the year and also a complete list of the realty in various parts of the state. The estate was appraised at over $3,000,000. The children of the deceased who will receive the greater portion of the income are: Sophie Borel Lewis, Alice Borel Cotton, Chonita Borel Bovet, Guadalupe Borel and Antoine Alfred Borel.

MILITARY AND CIVIL OFFICIALS PLAN FOR IMMEDIATE SALOON CLOSING

District Attorney Franklin Swart had a long conference with Attorney Olney, the legal adviser of the western military department and Major Pope at San Francisco and material was agreed upon for an ordinance to be submitted to the military authorities today and to be adopted by the board of supervisors next Monday.

The ordinance will prohibit the sale, delivery and serving of intoxicating liquors within the five mile limits of Camp Fremont. The ordinance is to be rigidly enforced It will go into effect immediately after its passage. This means that all the saloons at Woodside, Portola and those not within the city limits of Redwood will have to close next week.

According to the terms of the ordinance liquor cannot be used within five miles of the cantonment except in private homes and there only by the members of the family and bona fida guests and for sacramental purposes in churches. The law is to be very drastic, its object being to put a stop to the liquor traffic at the camp.

Th authorities are also going to insist that all physicians report contagious and verneral diseases to the state board of health that all such cases may be quarantined and properly treated. All physicians will be compelled to make this report to the state officials.

The local authorities are also going to formulate certain regulations prohibiting young girls from visiting Camp Fremont unless they are accompanied by their parents. Major Pope, the provost marshal of the camp, inssists on this and is going to see that the regulation is enforced. The major means business and is going to do all within his power to protect the soldiers of the camp that he may send to the front an army of young men fit to battle for the cause of democracy. In this he will have the cooperation of the officials and others who are interested in seeing that the soldiers are physically fit to fight the powerful enemy at the front.

Mr. McSweeney says the collections this year has been better than at any previous year which shows the general prosperity of the county. Mr. McSweeney is to receive some credit for this big collection for he has been untiring in urging people to pay their taxes before they become delinquent and then, too, his card system which he has inaugurated in his office whereby every taxpayer is notified by a postal card of the amount due has worked wonders. The total amount of the two installments is $860,000. Mr. McSweeney is charged with the collection of this big sum.

JUDGE BUCK RENDERS TWO DECISIONS AGAINST ACTOR

Judge Buck yesterday rendered a decision in the damage suit of William E. Southwood against Del. S. Lawrence, the well-known San Francisco actor. The court awarded the plaintiff damages in the sum of $250. Plaintiff brought the action to recover $1,123.90.

On July 16, 1917, Southwood was riding in a Ford automobile at Belmont, when he was run into by defendant who was in an intoxicated condition and was driving at a high rate of speed.

The court also gave a decision in the case of Carl Nelk who was riding with Southwood at the time but who brought a separate suit against Lawrence for damages. The court awarded him the sum of $1000. Nelk brought the action to recover $5,176. He suffered severe injury and has not yet recovered fro mthe shock.

John D. Willard represented both plaintiffs in the two actions. Mr. Willard is becoming quite successful in actions of this character as he usually represents the plaintiffs in damage suits brought in this county.

EX-POST FACTO PROPOSAL

The Woman's Suffrage Party in New York considered resolutions calling upon its members to vote against candidates for renomination who have not heretofore favored the suffrage cause and to vote only for candidates who will pledge themselves to vote and work for suffrage. This is an ex post facto proposal which may react against suffrage, though it must be admitted that it contains a great deal of human nature. However, it is one thing for a delegate body to pass a resolution and it is quite another thing for all or a majority of the members of a party to act upon such a recommendation. Our guess is that the enfranchised women of New York are going to vote with reference to all the issues in a campaign and with an eye to the future than to the past.

EVERYTHING GOES

Fighting the devil with fire has been matched by fighting the Hun with water. At the Yser the cutting of a canal inundated large areas which the Germans had occupied and the floods drove them back. Along the Piave the Italians have opened the sluice gates on the upper reaches of the stream and have put a lake of large dimensions and considerable depth between the invaders and themselves. All the elements are employed in this war. Man and nature are made to co-operate.

In his address to the Society of Naval Architects and Marine Engineers, its president declares that it must not be thought that the people of Germany are not supporting their government. "Events have shown that their education has been so completely to this end that the people themselves feel that the desires of their rulers must be accomplished regardless of all other nations. Were this not so, the German people would ere this have risen in revolt." That is a pretty good answer to the Administration's artful phrase, "we have no quarrel with the German people."

When the hearing in the case of certain automobile owners for permits to operate auto bus service from Redwood to Camp Fremont and other parts of the county came up, District Attorney Swart addressed the board and stated that care should be used in granting the permits. District Attorney Swart addressed the board in the matter of the care of irresponsible persons injured in automobile accidents within the county. He stated that often these persons are taken to private hospitals and then leave without paying for the treatment given them or make any arrangements to that effect.

Lame every morning, achy and stiff all day, worse when it's damp or chilly? Suspect your kidneys and try the remedy your neighbors use.

Mrs. Jans Hansen, 343 Washington St., Redwood City, says: "About two years ago I suffered from pains in my back and other trouble caused by disordered kidneys. My back was lame and when I stooped over, I could hardly get up again. Sharp pains would ctach me in the small of my back. Two boxes of Doan's cured me and I have felt like a different woman since."

The Gift of His Dreams

—a Harley-Davidson Bicycle

EVERY boy dreams of the day when he will have a new "bike" just as he dreams of the days when he'll be a man. Didn't you dream those dreams when you were his age? Can't you recall that inexpressible gratitude which surged through your boyish heart when your dad saw the yearning in your eyes and Christmas morning brought you a "bike"?

Your lad is dreaming now of spring and a Harley-Davidson—built in the same sturdy manner which has made the Harley-Davidson motorcycle the Master Mount for sixteen years. Will he ride with the rest of the boys?

With a Harley-Davidson bicycle, fresh air and sunshine, woods and fields are his. Help him answer that instinctive call of the great out-of-doors.

Let the Christmas gift from his dad be a bicycle—see the joy in his eyes when he finds it's a Harley-Davidson.

Did you ever think what a bicycle and the out-of-doors can do for a young girl's health?

There's a Harley-Davidson for every member of the family.

A bold daylight robbery was perpetuated in this city on Wednesday. A thief gained an entrance to the bed rooms of the Tremont House and got away with a suit case containing a gold watch and chain, a gold stick pin and clothing of value. The suit case was taken from the room of one of the lodgers and when he went to get his time piece discovered the loss of the suit case. The officers are investigating the robbery but have not the slightest clue to work on. It is believed the robbery was the work of some member of the I. W. Forum, Baptist Church

The forum address at the Baptist church Sunday evening was informing and interesting. Mr. Ehrgott, a representative of the California Law Enforcement and Protective League, speaking to the subject: "The Finger of Justice" outlined the events leading up to the organization of the league and the work it has been doing. After Rev. Paul Smith had preached his stirring sermon on Prohibition, the Chief of Police said to him that prohibition would close all the saloons, cafes and hotels of San Francsico and hurt business. Mr. Smith in reply asked whether morals had any place in the consideration of the prosperity of a community. Both the Chief of Police and the Mayor declared there were no such places of vice as Mr. Smith said there were. This led to the great meeting in Dreamland Rink at which the vice of the city was exposed. It was then found that a strong organization to fight vice was necessary, and the league was formed. It has been found that 500 girls are captured for vice in Northern California every year, and that conditions in San Francisco are worse than in ancient Sodom and Gomorrah. The saloon, the brothel, some lines of business, politics and officers of the law were linked up together. In order to clean up a community there must be officers who will do their duty. County Attorney Fickert will not do it, and he is to be recalled from office.

The League is going on the assumption that we have a right to demand right conduct on the part of individuals in a community. We must have officers that will enforce law that has to do with morals. San Francisco must be saved by good communities adjacent to her; for she is so bad she cannot save herself. The great task of the league is to see to it that the law is enforced. Much has already been done. Barbary Coast that has existed for 68 years is closed. Eleven places of vice in Stockton have been closed. Other near-by cities have been helped. The work is progerssing. Expert detectives are employed. Since last August $4,000 has been spent in the work. Money comes in from friends. Mrs. Hearst has given $500.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

W. D. O'Brien will leave next week for New York and from there he will proceed to Bolivia, South America, to examine a large mining property for a big New York syndicate.

Joseph Princevalle, an erstwhile business man of Menlo Park, has a clerical position in the quartermaster's department of Camp Fremont. He has been at the cantonment for some weeks.

Walter Gale left yesterday for San Pedro having previously enlisted in the navy. He will remain at the training station for some months before he is assigned to duty on the seas.

The old Kennedy residence on Golder avenue has been purchased by James Hoff, who is wrecking it and removing the lumber. It is one of the oldest houses in Menlo Park and has been a land mark for many years. A modern structure will replace the building.

The rugged oak that stood on the road side in front of the Merrill property on the highway for ages was ruthlessly cut down during the week. It is a pity that these trees cannot be spared for they are the beauty and attraction of the peninsula.

The Fifteenth Cavalry, consisting of 800 men will leave shortly for Arizona. The men recently came from the Philippines. It is believed that other troops will take their place at once. The men were popular at Camp Fremont and made many friends in town. Their departure is a matter of deep regret.

By orders of the provost marshal all jitneys are searched by guards at night to find liquor or discover suspicious characters coming to the cantonment. This is rather hard on the jitney drivers but the orders of the government must be obeyed.

The popular Thursday night dances given in the Hall of the Nativity will be discontinued until the first Thursday after Christmas when they will be resumed. These socials have been very popular and largely attended by the soldiers boys. The closing dance on Thursday evening, November 29th, drew the largest crowd of the season. The hall was taxed to its utmost.

Edward H. Ballinger of Menlo Park is one of the first two men to be formally assigned to duty following graduation from the government's newly established free navigation school at San Francisco. F. H. Hultgren of Vallejo was the other successful competitor.

Miss Dorothy Bruce and Miss Rose Broggi motored to Fresno with Mr. and Mrs. Edward Latham on Thanksgiving and were the guests of Dr. and Mrs. Guy Manson over the week-end. A house party was given in honor of the visitors. Mrs. Manton, formerly Gene Bruce, is a sister of Mrs. Latham and Miss Dorothy Bruce.

Ballinger received his "able seaman" certificate after completing the six weeks' course under the plan for training 10,000 deck officers for the governments' contemplated merchant marine. He has been assigned to duty as a junior officer on the steamship Wilhelmina.

The big sum of $125,000 was distributed to the soldiers this week at Camp Fremont, the week being pay week for Uncle Sam. All the men were paid in currency. This big distribution of money in our midst is certain to encourage business and bring about a better feeling to meet the demands that the government is imposing on the people on account of the great world's war.

The first annual ball of the Menlo Park Fire Department will take place on December 14th in Duff and Doyle hall. A Jazz orchestra of eight pieces will furnish the music. This should be the dance of the season. The firemen have always shown their readiness in serving the people in putting out fires. Their response to all calls by the department has been prompt and their services highly efficient. A large attendance will show the appreciation of the service of the firemen. If you are unable to go buy a ticket.

K. OF C. HALL IS DEDICATED

Under most favorable auspices the Knights of Columbus auditorium at Camp Fremont was opened last Sunday morning. The weather was perfect and the big hall was crowded to the door, there not being standing room for those desiring to participate in the impressive service. The mass was celebrated by Father O'Connell, who will be stationed at the building to look after the spiritual welfare of the soldiers, and the sermon was preached by His Grace Archbishop E. J. Hanna of San Francisco. It was a masterly, eloquent and patriotic address, which found a responsive chord in the hearts of all who heard it. The music was furnished by an orchestra composed of soldier musicians and several male voices. Over fifteen hundred people attended the services. The opening will long be remembered by those who were fortunate in securing admission to the auditorium.

Mrs. Ellen Carroll Laid to Rest

Mrs. Ellen Carroll, a pioneer woman of San Mateo county, passed away at the home of Mrs. Thomas Fitzgerald at Ravenswood on Tuesday, December 4. She had only been ailing a short time when the Death Angel called. Mrs. Carroll was a native of Ireland, aged 82 years. She had been a resident of the county for 56 years, the greater portion of which time was spent at Redwood City. Her husband, Michael Carroll, predeceased her many years ago. Mrs. Carroll is survived by a sister, Mrs. Kate Mahoney of Redwood City. The late Samuel Nash Sr., was her cousin and after her husband's death she made her home at the Nash residence. Interment was in Holy Cross Cemetery, Menlo Park. The following old time friends acted as pall bearers: Barney Higgins, San Jose, J. F. Greer, Palo Alto, M. F. X. Kavanaugh, Ira Merrill, W. A. Carnduff and John Craven of San Francisco.
